

Bill Furst

Sarasota County Property Appraiser

Utilizing the Sarasota County Property Appraiser's Depreciation Tables to Estimate Just Value

NOTE: Tables are finalized annually in July and the preliminary tables are subject to change without notice prior to that date.

Page 1: Instructions (This page)

Page 2: Economic Life Summary - Locate the appropriate economic life for the asset from the summary

Record the year of acquisition and the original installed cost of the asset.

Page 3: Index Factors - Multiply the original installed cost of the asset times (X) the corresponding factor found on the Index Factors table

Page 4: Untrended Depreciation Table - Multiply the result times (X) the corresponding percent(%) from the table.
